WDBS Tournament Rules

Full WDBS rules of competition are available here: <https://www.wdbs.info/players/resources/>

Dress code: Collared shirt, waistcoat, trousers and smart shoes. A tie will be optional. If for any reason your disability means that this is not possible, please contact us to discuss this directly.

Food: Players and their supporters are kindly asked to support our host clubs and not to bring their own food and drink to venues.

Lateness: If you know that you are going to arrive late for the start of play on any day of the tournament, or for any match during the tournament, please contact the tournament director as soon as possible. Should we not hear from you, the tournament director reserves the right to enforce tournament rules, e.g. to dock frames in accordance with our rules of competition.

Disability Classification

There are 36 individual WDBS profiles, grouped into eight classification groups.

For more information download the full list of WDBS profiles [HERE](#) or read more at our website: <https://www.wdbs.info/disability-classification/>

If you are unsure of your profile or group please contact WDBS by telephone on 0117 317 8200.

Competitors must declare all prosthetics and sport specific aids when entering an event as it may change their group and/or profile. It should also be declared when requesting classification.

Group 6

WDBS aims to be as inclusive as possible and so does allow people that would not fit Paralympic/International Sports Federation for Persons with Intellectual Disability (INAS) criteria to compete in our events. In the interests of promoting fair competition we have therefore split Group 6 into two categories.

All Group 6 players must complete the our [G6 declaration form](#) before their first event.

Group 6A – open to players who meet all of the following three criteria:

- Evidence of IQ – a full scale score of 75 or lower on a recognised and professionally administered IQ test
- Adaptive Behaviour OR Social Adaptation – Evidence of significant limitations in adaptive behaviour – a measure of how learning disability affects both daily life and the ability to respond to life changes and environmental demands (Conceptual, social, and practical adaptive skills).

Return entry form to:

WDBS, 75 Whiteladies Road, Bristol, BS8 2NT or to chris.hornby@wpbsa.com

- Age of Onset Pre-18 years – must be able to show that the learning disability was evident before the person was 18 years old.

All participants in this group will be expected to have either their parent/legal guardian/carer/headteacher, or a recognised learning disability professional specialist, sign a declaration that the following will be provided upon request.

Participants also need to be aware that should they enter external competitions either endorsed or nominated by WDBS they will have to match criteria set by those governing that event.

Group 6B

- All players with a learning disability with IQ over 75.
 - Players with an IQ above 75 who have professionally diagnosed Autism Spectrum Disorder
 - Players with an IQ above 75 who have a developmental disorder – please contact WDBS directly to discuss your eligibility
 - Eligibility for this group does not generally include players with an IQ above 75 who solely have Dyspraxia, Dyslexia or ADHD

Should entries for either 6A or 6B events be low for an event, either competition may be cancelled. WDBS will no longer hold combined events with players of both groups competing against each other.

Group 7

All Group 7 players **MUST** be British Blind Sport classified and produce a copy of their BBS certificate prior to their first competition.

The cost of classification is £20.00 for a member of British Blind Sport. Following receipt of your classification result WDBS will discount the membership cost from your first event. Should you be charged by your optician for completing your form, upon proof of costs WDBS will also offer up to a maximum of two free event entries.

At WDBS tournaments, players are given a points start depending on their level of sight relative to their opponent, based upon their British Blind Sport classification. For example:

- If a B2 plays against a B3, the B2 will receive a 7-points start
- If a B2 plays against a B4, the B2 will receive a 14-points start

For more information please visit:

<https://britishblindsport.org.uk/educationandresearch/classifications/>

If at least four entries are received from players who are classified B1-B3 (7A) and B4-B5 (7B), the group will be split into two competitions. If sufficient entries are not received the event will run as one tournament.
